

Report of the Nominating Committee to Council

November 3rd, 2011

The Committee was unfortunately unable to make quorum at an in-person meeting despite best efforts at scheduling. However, as the role of the Judicial Board Justice had been previously discussed at an in-person meeting, the Committee was comfortable with approvals via email. Consequently, the applications and interview notes from the candidates were distributed by email and approvals were conducted by return email.

In this manner, the following people were appointed to the Judicial Board:

Ryan Gallant
Jean-Philippe Herbert
James Nowlan
David Parry
Raphael Szajnfarber
