IV. Tabled:

Certain Applications have been tabled due to insufficient information and missing parts of their applications until they re-submit what the committee has requested.

These are:

1. Daily Productions Society
2. McGill Students for Literacy

V. Conservative McGill

The last report included a section on the decision to increase the funding given to Conservative McGill by \$550 due to the issues with their events. However, the report did not mention that \$200 had been originally allocated to them, so the accounting department was unable to issue the check for this amount. Therefore, we are making it clear for the record that Conservative McGill was awarded a total of \$750. The check for \$550 has been issued, yet the original \$200 approved will be issued after this report is ratified by Council.

VI. Members at Large:

This meeting included a selection process of members-at-large. Successful applicants who are to join the committee are as follows:

1. Josh Lightman
2. Aqib Masood
3. Andrew Marcoux
