

Resolution Regarding the Protection of the Long Term Integrity of the SSMU

WHEREAS necessity is the mother of invention or re-invention as the case may be, and;

WHEREAS the long-term integrity of the society should be protected with regards to the SSMU's Constitution and By-Laws, and;

WHEREAS the Constitutional Review Committee (CRC) is charged with duty of maintaining the long-term integrity of the society with regards to its Constitution and By-Laws (By-Law I-6), and;

WHEREAS a Constitutional Review Committee currently does not exist, and;

WHEREAS the current lack of a Constitutional Review Committee leaves the Constitution and By-Laws vulnerable to changes that may compromise the long term integrity of the society, and;

WHEREAS the SSMU's Constitution and By-Laws charge the President with the duty of maintaining the long-term integrity of the SSMU (Article 10.3 of the Constitution and By-law I-6), and;

WHEREAS the Constitutional Review Committee falls under the Presidential portfolio.

THEREFORE LET IT BE RESOLVED that the Presidential Affairs Committee (PAC) be charged with the duties that would ordinarily be carried out by the Constitutional Review Committee until such a committee is constituted or the review of committees' structure is finalized.

Respectfully submitted,
