

Resolution Regarding Haiti Relief Efforts

WHEREAS the earthquake that hit Haiti has caused great human suffering as is evident to all, and;

WHEREAS as this calls not only for our compassion but intentional efforts to help in short term as well as in long term needs that would lessen the pain of the afflicted, and;

WHEREAS SSMU is in a great position to reach out to a wide section of students and to raise funds for relief efforts.

THEREFORE LET IT BE RESOLVED that the SSMU, led by the executives and councilors, do all in their capacity to pull efforts together with faculty associations, clubs, and organizations that are engaged in efforts to provide relief to Haiti, and;

BE IT FURTHER RESOLVED that the SSMU establish the “Haiti Relief Fund” that would serve to raise funds to aid these efforts and disperse the funds in a manner that would best benefit the afflicted, both in the short term and in the long term.

Respectfully submitted,

*Councilor Joshua Abaki
Science Representative
